WIRED ILLUMINATED COMPACT CONTROLLER FOR PLAYSTATION®4

NACON™'s Wired Illuminated Compact Controller packs in an impressive range of features, including a touch pad, stereo headset jack and vibration motors. The ergonomic design provides complete comfort for all ages, even during marathon gaming sessions. Players can enjoy stylish lighting effects with the Illuminated model, featuring a fully transparent case and extra colour LEDs**.

- Transparent casing and backlight LEDs** allow the controller to glow in the dark
- 2x vibration motors
- LED** player status indicator
- Touch pad
- 3.5mm stereo headset jack
- PC compatible (XInput only)*
- Cable length: app. 3m
- Dimensions (Width x Length x Height): 153 x 50 x 96mm

* PC compatibility not tested nor endorsed by Sony Interactive Entertainment Europe.

** LEDs have no function with the PlayStation® Camera

NOTE: light bar, motion sensor and built-in speaker not included.
